

Utility Vehicles Insurance

Silver – Price: \$44.99

Liability Coverage: Basic coverage protecting against bodily injury and property damage liability if you're at fault in an accident.

Collision Coverage: Covers damages to your utility vehicle in case of collision with another vehicle or object.

Comprehensive Coverage: Protects against non-collision related damages such as theft, vandalism, fire, or natural disasters.

Gold – Price: \$84.99

Extended Liability Coverage: Higher limits for liability coverage to provide increased protection against potential lawsuits.

Rental Reimbursement: Coverage for the cost of a rental vehicle while your utility vehicle is being repaired after a covered accident.

Towing and Roadside Assistance: Coverage for towing and roadside assistance services in case of breakdowns or emergencies.

Uninsured/Underinsured Motorist Coverage: Protection against damages caused by drivers who don't have insurance or have insufficient coverage.

Diamond – Price: \$149.99

Agreed Value Coverage: Coverage that ensures you'll receive the full agreed value of your utility vehicle in case of a total loss, without depreciation.

Business Interruption Coverage: Compensation for lost income if your business operations are interrupted due to a covered event, such as an accident or theft.

Equipment Coverage: Additional coverage for specialized equipment or tools permanently attached to or carried in your utility vehicle.

Loss of Use Coverage: Compensation for lost income if your utility vehicle is out of service due to a covered claim.

Enhanced Medical Payments: Increased coverage for medical expenses for you and your passengers, including extended rehabilitation benefits if needed.
